

FairieVite®

FairieVite® is powered by
**pure and organic sea
buckthorn extract,**
combined with up to 11 purest and
finest grade essential oils.

Nature's
Most Powerful
Antioxidant
Skincare

Myth : Using face oil is too oily! It will also clog my pores and cause breakouts!

TRUTH : Our skin loves high-quality oils! In fact, our skin is made up of both water and oil. If our skin is dehydrated, it will produce even more sebum to compensate the lack of moisture.

Choose oils which are lightweight and easily absorbed by your skin, giving your face a smooth finish and not greasy. Sea buckthorn oil is anti-inflammatory and has healing properties.

What we should avoid are comedogenic oils, synthetic oils, synthetic perfume and artificial colouring.
